QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND THE ANNUAL MEETING

Q: *Who can I contact with questions about how to vote?*

A: If you have any questions or require any assistance with voting your shares, please contact DHT's proxy solicitor:

**D.F. King & Co. Inc.
48 Wall Street, 22nd Floor
New York, NY 10005
Call Collect: (212) 269-5550
Toll Free: (800) 249-7120**

Q: *Why am I receiving these materials?*

A: The Board of Directors (the "*Board*") of DHT Holdings, Inc. ("DHT"), a corporation organized under the laws of the Republic of the Marshall Islands, is providing these proxy materials to you in connection with DHT's annual meeting of shareholders (the "*annual meeting*"), which will take place on June 15, 2023. As a shareholder, you are invited to attend the annual meeting and are entitled and requested to vote on the items of business described in this proxy statement.

Q: *What information is contained in this proxy statement?*

A: The information included in this proxy statement relates to the proposals to be voted on at the annual meeting, the voting process, the compensation of DHT's directors and executive officers and certain other information about DHT.

Q: *Why did I receive a notice in the mail regarding the internet availability of proxy materials instead of a full set of proxy materials?*

A: We are using the internet as the primary means of furnishing proxy materials to our shareholders. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials to each of our shareholders of record on or about May 5, 2023. The Notice contains instructions on how to access the proxy materials and vote your shares over the internet. The Notice also contains instructions on how to request a printed copy of the proxy materials, which are first being made available to shareholders at <http://www.astproxyportal.com/ast/17692> on or about May 5, 2023. In addition, shareholders may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis. If you request to receive printed proxy materials, you may still access our proxy materials and submit your proxy over the internet. Shareholders may wish to take advantage of the availability of the proxy materials on the internet to help reduce the environmental impact of our annual meeting.

Shareholders who hold their shares beneficially in street name, as described further below, will receive a separate notice directly from their broker, trustee or other nominee. If you hold your shares beneficially in street name, follow the voting instructions provided in the notice you receive from your broker, bank, or other nominee.

Q: *How may I obtain DHT's 2022 Annual Report?*

A: Shareholders may obtain a free copy of our 2022 Annual Report filed on Form 20-F from our website at www.dhtankers.com and through the Securities and Exchange Commission's EDGAR database on the SEC's website at www.sec.gov. Shareholders may request a hard copy of the audited financial statements free of charge by sending an email to info@dhtankers.com.

Q: *What items of business will be voted on at the annual meeting?*

A: The items of business scheduled to be voted on at the annual meeting are:

- the election of Jeremy Kramer to the Board, as a Class I director, for a term of three years; and
- the ratification of our independent registered public accounting firm for the 2023 fiscal year.

We also will consider any other business that properly comes before the annual meeting.

Q: *How does the Board recommend that I vote?*

A: The Board recommends that you vote your shares “FOR” the election of Jeremy Kramer to the Board and “FOR” the ratification of the independent registered public accounting firm for the 2023 fiscal year.

Q: *What shares can I vote?*

A: Each share of common stock, par value \$0.01 per share, of DHT (the “*Common Stock*” or the “*shares*”), issued and outstanding as of the close of business on April 21, 2023, the record date for the annual meeting (the “*record date*”), is entitled to be voted on all items of business being voted on at the annual meeting. The *record date* for the annual meeting is the date used to determine both the number of shares of Common Stock that are entitled to be voted at the annual meeting and the identity of the *shareholders of record* and *beneficial owners* of those shares of Common Stock who are entitled to vote those shares at the annual meeting. On the *record date* for the annual meeting, there were 162,986,561 shares of Common Stock issued and outstanding. Holders of shares of Common Stock outstanding as of the close of business on the *record date* are entitled to one vote for each share of Common Stock they hold as of such time.

You may vote all shares owned by you as of the *record date* for the annual meeting, including (1) shares held directly in your name as the *shareholder of record* and (2) shares held for you as the *beneficial owner* through a broker, trustee or other nominee, such as a bank.

Q: *What is the difference between holding shares as a shareholder of record and as a beneficial owner?*

A: Most DHT shareholders hold their shares through a broker or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Shareholder of Record

If your shares are registered directly in your name with DHT’s transfer agent, American Stock Transfer & Trust Company, LLC, you are considered, with respect to those shares, the *shareholder of record*. As the *shareholder of record*, you have the right to grant your voting proxy directly to DHT or to vote in person at the meeting. You may submit your proxy over the internet or by telephone by following the voting instructions in the Notice or if you request to receive printed proxy materials over the internet, by completing, signing, dating and returning the proxy card included in such printed proxy materials.

Beneficial Owner

If your shares are held in a brokerage account or by another nominee, you are considered the *beneficial owner* of shares held in *street name*. As the beneficial owner, you have the right to direct your broker, trustee or other nominee how to vote your shares and you are also invited to attend the annual meeting.

Since a beneficial owner is not the *shareholder of record*, you may not vote these shares in person at the meeting unless you obtain a “legal proxy” from the broker, trustee or other nominee that holds your shares, which would give you the right to vote the shares at the meeting. Your broker, trustee or other nominee will provide a notice with voting instructions for you to use in directing the broker, trustee or other nominee how to vote your shares.

Q: *How can I attend the annual meeting?*

A: You are entitled to attend the annual meeting only if you were a DHT shareholder as of the close of business on April 21, 2023 or if you hold a valid proxy for the annual meeting. You should be prepared to present photo identification for admittance. In addition, if you are a shareholder of record, your name will be verified against the list of shareholders of record on the record date prior to your being admitted to the annual meeting. If you are not a shareholder of record but hold shares through a broker, trustee or other nominee (*i.e.*, in street name), you should provide proof of beneficial ownership on the record date, such as your most recent account statement prior to the record date, a copy of the voting instruction card provided by your broker, trustee or other nominee, or other similar evidence of ownership. If you do not provide photo identification or comply with the procedures outlined above upon request, you will not be admitted to the annual meeting. The meeting is scheduled to begin promptly at 11:00 a.m., Bermuda time, on June 15, 2023.

Q: *How can I vote my shares in person at the annual meeting?*

A: Shares held in your name as the shareholder of record may be voted in person at the annual meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, trustee or other nominee that holds your shares giving you the right to vote the shares. **Even if you plan to attend the annual meeting, we recommend that you also submit your proxy or voting instructions as described below so that your vote will be counted if you later decide not to attend the meeting.**

Q: *How can I vote my shares without attending the annual meeting?*

A: Whether you hold shares directly as the shareholder of record or beneficially in street name, you may direct how your shares are voted without attending the meeting. If you are a shareholder of record, you may vote by submitting a proxy. If you hold shares beneficially in street name, you may vote by submitting voting instructions to your broker, trustee or other nominee.

Shareholders of record of Common Stock may submit proxies (a) by telephone or the internet following the voting instructions on the Notice or (b) by requesting printed proxy materials over the internet and then completing, signing and dating their proxy cards and mailing them in the envelopes. DHT shareholders who hold shares beneficially in street name may vote by requesting printed proxy materials over the internet and then completing, signing and dating the voting instruction cards and mailing them in the enclosed envelopes, or otherwise as directed in the voting instruction card provided by your broker, trustee or other nominee.

Q: *Can I change my vote?*

A: You may change your vote at any time prior to the vote at the annual meeting. If you are the shareholder of record, you may change your vote by granting a new proxy bearing a later date by internet, telephone or mail (which automatically revokes the earlier proxy), by providing a written notice of revocation to the *DHT's Corporate Secretary* via an email received prior to your shares being voted, or by attending the annual meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request. For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, trustee or other nominee, or, if you have obtained a legal proxy from your broker or nominee giving you the right to vote your shares, by attending the meeting and voting in person.

Q: *Is my vote confidential?*

A: Proxy instructions, ballots and voting tabulations that identify individual shareholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within DHT or to third parties, except (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote and (3) to facilitate a successful proxy solicitation. If shareholders

provide written comments on their proxy card directed to the Board or management, these comments will be forwarded to the Board or management, respectively.

Q: *How many shares must be present or represented to conduct business at the annual meeting?*

A: The quorum requirement for holding the annual meeting and transacting business is that holders of a majority of the voting power of the shares of capital stock in DHT (“DHT Capital Stock”) issued and outstanding as of the record date and entitled to vote must be present in person or represented by proxy. As of the record date, shares of Common Stock were the only type of DHT Capital Stock issued and outstanding.

Q: *How are votes counted?*

A: In the election of directors, you may vote “FOR” the nominee or your vote may be “WITHHELD” with respect to the nominee. For the other items of business, you may vote “FOR,” “AGAINST” or “ABSTAIN.” If you “ABSTAIN,” the abstention has the same effect as a vote “AGAINST.”

If you provide specific instructions for a given item, your shares will be voted as you instruct on such item. If you sign your proxy card or voting instruction card without giving specific instructions, your shares will be voted in accordance with the recommendations of the Board (*i.e.*, “FOR” the election of Jeremy Kramer to the Board; “FOR” the ratification of the independent registered public accounting firm; and in the discretion of your proxy holder on any other matters that properly come before the annual meeting).

If you hold shares beneficially in street name and do not provide your broker with voting instructions, your shares may constitute “broker non-votes.” Generally, broker non-votes occur on a matter when a broker is not permitted to vote on that matter without instructions from the beneficial owner and instructions are not given. In tabulating the voting results for any particular non-routine proposal, shares that constitute broker non-votes are not considered entitled to vote on that proposal. Thus, broker non-votes will not affect the outcome of any matter being voted on at the meeting, assuming that a quorum is obtained, other than matters requiring the affirmative vote of a majority of all outstanding shares of Common Stock or DHT Capital Stock.

For all matters proposed for shareholder action at the annual meeting, each share of Common Stock outstanding as of the close of business on the record date is entitled to one vote.

Q: *What is the voting requirement to approve each of the proposals?*

A: In the election of directors (Proposal No. 1), the person receiving the highest number of “FOR” votes at the annual meeting will be elected.

Proposal No. 2 requires the affirmative “FOR” vote of the holders of a majority of the voting power represented by the shares of DHT Capital Stock present in person or represented by proxy and entitled to vote on that proposal at the annual meeting.

As of the record date, shares of Common Stock were the only type of DHT Capital Stock issued and outstanding.

Q: *Is cumulative voting permitted for the election of directors?*

A: No. DHT’s Amended and Restated Articles of Incorporation provide that cumulative voting shall not be used in the election of directors.

Q: *What happens if additional matters are presented at the annual meeting?*

A: Other than the two items of business described in this proxy statement, we are not aware of any other business to be acted upon at the annual meeting. If you grant a proxy, the persons named as proxyholders, Erik A. Lind, Svein Moxnes Harfjeld, Laila C. Halvorsen and Kim McCullough, will have the discretion to

vote your shares on any additional matters properly presented for a vote at the meeting. If for any unforeseen reason Jeremy Kramer is not available as a candidate for director, the persons named as proxyholders will vote your proxy for such other candidate as may be nominated by the Board.

Q: *What should I do if I receive more than one set of voting materials or Notice?*

A: You may receive more than one Notice or, if you request to receive printed proxy materials, you may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy or voting instruction cards. For example, if you are a shareholder of record, your shares are registered in more than one name, you may receive more than one Notice. If you hold your shares in more than one brokerage account, you may receive a separate notice or voting instruction card for each brokerage account in which you hold shares. To make certain all of your shares are voted, please follow the instructions included on the Notice on how to access each proxy card and vote each proxy card over the internet or by telephone. If you request to receive printed proxy materials and receive multiple proxy cards or voting instruction cards, **please complete, sign, date and return each proxy card and voting instruction card that you receive.**

Q: *How may I obtain a separate set of voting materials?*

A: If you share an address with another shareholder and request a printed set of proxy materials, you may receive only one set of proxy materials unless you have provided contrary instructions. If you wish to receive a separate set of proxy materials now or in the future, please contact D.F. King, who we have retained to assist in this proxy solicitation, at:

**D.F. King & Co. Inc.
48 Wall Street, 22nd Floor
New York, NY 10005
Call Collect: (212) 269-5550
Toll Free: (800) 249-7120**

Similarly, if you share an address with another shareholder and have received multiple copies of our proxy materials, you may contact us as indicated above to request delivery of a single copy of these materials.

Q: *Who will bear the cost of soliciting votes for the annual meeting?*

A: DHT will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes, including the cost of retaining D.F. King to assist with the solicitation of proxies. In addition to the mailing of proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities.

Q: *Where can I find the voting results of the annual meeting?*

A: We intend to announce the preliminary voting results at the annual meeting and to publish the final results in a report on Form 6-K following the annual meeting.

Q: *What is the deadline to propose actions for consideration at next year's annual meeting of shareholders or to nominate individuals to serve as directors?*

A: You may submit proposals, including director nominations, for consideration at future shareholder meetings as indicated below.

CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS

DHT is committed to sound corporate governance principles. These principles are essential to maintaining DHT’s integrity in the marketplace. DHT’s Nominating and Corporate Governance Guidelines and Code of Business Conduct and Ethics are available under “Corporate Governance” in the “About DHT” section of DHT’s website at www.dhtankers.com.

Director Independence

The Board has determined that each of Erik A. Lind, Joseph H. Pyne, Einar Michael Steimler, Jeremy Kramer, Sophie Rossini and Iman Hill has no material relationship with DHT and is *independent* within the meaning of DHT’s director independence standards, which reflect The New York Stock Exchange (the “*NYSE*”) director independence standards, as currently in effect and as they may be revised from time to time.

Pursuant to certain exceptions for foreign private issuers, we are not required to comply with certain of the corporate governance practices followed by U.S. companies under the NYSE listing standards, including the maintenance of an entirely independent nominating/corporate governance committee and compensation committee.

In addition, the Board has determined that each member of the Audit Committee also satisfies DHT’s Audit Committee member independence standards, which reflect applicable NYSE and U.S. Securities and Exchange Commission (“*SEC*”) audit committee member independence standards.

The Audit Committee works closely with DHT’s management and independent registered public accounting firm. The Audit Committee has the authority to obtain advice and assistance from, and receive appropriate funding from DHT for, outside legal, accounting and other advisors as the Audit Committee deems necessary to fulfill its duties.

PROPOSAL NO. 2:
Ratification of Independent Registered Public Accounting Firm

The Audit Committee has selected, and the Board has ratified the Audit Committee's selection of, Ernst & Young AS to examine the financial statements of DHT for the fiscal year ending December 31, 2023. Ernst & Young AS audited the financial statements of DHT for the year ended December 31, 2022. In connection with the preparation of certain registration statements and certain other transactions, Ernst & Young AS provided certain audit-related services. See "Principal Independent Registered Public Accounting Firm Fees and Services" on page 24.

If the selection is not ratified, the Audit Committee will reconsider whether it should select this firm as DHT's independent registered public accounting firm.

Vote Required

Shareholder ratification of the selection of Ernst & Young AS as DHT's independent registered public accounting firm for the 2023 fiscal year requires the affirmative "**FOR**" vote of a majority of the voting power represented by the shares of DHT Capital Stock present in person or represented by proxy and entitled to vote thereon at the meeting.

The Board unanimously recommends a vote "FOR" the ratification of the selection of Ernst & Young AS as DHT's Independent Registered Public Accounting Firm for fiscal year 2023.

MINORITY INVESTOR ARRANGEMENTS

DHT has granted BW Group, as a significant minority investor in DHT, certain minority rights under the Investor Rights Agreement (the “*Investor Rights Agreement*”) entered into on April 20, 2017. BW Group also agreed under the Investor Rights Agreement to take certain actions consistent with a minority position and accept certain limitations on its rights as a shareholder. On November 19, 2019, BW Group sold 14,680,880 shares of Common Stock at a public offering price of \$6.90 per share (the “*BW Group Offering*”), after which BW Group held approximately 23.3% of the total voting power of DHT capital stock and owned approximately 72% of the aggregate number of shares that BW Group received as consideration under the Vessel Acquisition Agreement, dated March 23, 2017 (the “*VAA*”), between BW Group and DHT. As a result, the standstill on BW Group, which was in effect until BW Group no longer held 25% of the total voting power of DHT voting stock, has expired (the “*Standstill Expiration*”) and certain rights and obligations of and restrictions upon BW Group and its controlled affiliates under the Investor Rights Agreement have been terminated. The provisions that remain in effect are, in each case, described below. See the section below, “Security Ownership of Certain Beneficial Owners and Management”, for further information relating to BW Group’s beneficial ownership of Common Stock.

Non-Coercive Offers

On October 20, 2018 (the “*Fall Away Date*”), BW Group held less than 35% of DHT’s issued and outstanding Common Stock. As a result, as of such date, BW Group and its controlled affiliates are permitted, after a minimum of 45 days’ review, consultation and good faith negotiation with the Board, to make a “Non-Coercive Offer” to DHT’s shareholders. As defined in the Investor Rights Agreement, a Non-Coercive Offer is an offer to acquire all of the issued and outstanding DHT Capital Stock subject to certain parameters, including that such offer must (i) not be subject to any financing condition, (ii) comply with applicable securities laws, (iii) be for consideration that is in the form of cash or of shares of capital stock of an entity publicly traded on the NYSE or the NASDAQ Stock Market with an aggregate public float equal to or greater than that of our outstanding Common Stock (excluding shares held by BW Group, its controlled affiliates or any 13D group to which any of them belongs), or a combination thereof, (iv) be for a premium of at least 15% to the per share volume-weighted average price of shares of our Common Stock as displayed under the heading VWAP Bloomberg on Bloomberg (or, if Bloomberg ceases to publish such price, a successor service to be reasonably agreed) for the 10 trading days most recently ended immediately prior to the opening of the third trading day prior to the earliest of (X) the public announcement of such offer, (Y) the public announcement of an intention to commence such offer and (Z) BW Group’s communication of such offer to the Board, (v) be held open for a minimum of 45 days and (vi) include a minimum tender condition of at least 50% of DHT’s outstanding Common Stock not owned by BW Group, its controlled affiliates or any 13D group to which any of them belongs.

Minority Representation on Board and Committees

The Investment Rights Agreement contemplates that nominees to the Board will be composed of four individuals selected by DHT’s Nominating and Corporate Governance Committee plus up to two individuals that BW Group has the right to nominate as a minority shareholder. As a result of the Standstill Expiration, BW Group lost its right to designate one of its two director nominees. Accordingly, Mr. Anders Onarheim, formerly a Class III director, resigned in connection with the BW Group Offering. As of the date of this proxy statement, the Board consists of (1) six directors nominated by the Nominating and Corporate Governance Committee, each of whom is independent and (2) no director designated by BW Group.

However, BW Group is still entitled one director nominee while it continues to hold at least 40%, but less than 75%, of the aggregate number of shares of Common Stock and Series D Preferred Stock (which were mandatorily converted into Common Stock in 2017) it received as consideration under the VAA. BW Group is

not presently exercising its right to nominate a member to our board of directors but it may choose to exercise such right in the future.

If at any time BW Group does not hold at least 10% of voting power of DHT Capital Stock, it will lose all director nominee designation rights.

In addition, the Investor Rights Agreement provides BW Group's designees with representation on each committee of the Board, so long as these designees comprise less than half of the total number of members on each committee.

Interested Transactions Between DHT and BW Group

BW Group is prohibited from entering into any material transaction with DHT unless the transaction is approved by the Board, with each director that was nominated by BW Group being required to recuse himself or herself from the deliberations. This prohibition on interested transactions remains in effect under the Investor Rights Agreement following the BW Group Offering and corresponding Standstill Expiration.

Transfer Limitations

The Investor Rights Agreement prohibits BW Group from transferring shares of voting DHT Capital Stock outside of BW Group and its controlled affiliates without the prior written consent of DHT if, to BW Group's knowledge, the acquiring party would beneficially own 15% or more of the voting power of all DHT Capital Stock as a result of the transfer, except in the case of a tender or exchange offer for shares of DHT Capital Stock that the Board has not recommended that shareholders reject. The transfer limitations remain in effect under the Investor Rights Agreement following the BW Group Offering and corresponding Standstill Expiration.

Minority Investor Protections

Effective as of the Fall Away Date in accordance with the Investor Rights Agreement, BW Group no longer has the approval rights previously provided for thereunder with regard to any merger or other transaction resulting in a change of control of DHT, or a sale of all or substantially all of DHT's assets or stock, if the per-share value of the consideration in such transaction received by the holders of Common Stock is less than the per-share value implied by the sale and purchase of the vessels under the VAA (*i.e.*, \$5.37 per share, subject to an annual uptick of 10%).

Shareholder Rights Plans

Prior to the Standstill Expiration, we were not permitted to enter into any shareholder rights plan, rights agreement or any other "poison pill", "proxy put" or other antitakeover arrangement (collectively, an "Arrangement") if such Arrangement would restrict BW Group from engaging in any transaction, or taking any action, otherwise permitted by the standstill exceptions as outlined in the Investor Rights Agreement. The restrictions on such Arrangements under the Investor Rights Agreement were terminated in connection with the BW Group Offering and the corresponding Standstill Expiration. Notwithstanding the Standstill Expiration, however, until BW Group ceases to hold at least 10% of DHT Common Stock, we are not permitted to extend, declare or enter into any Arrangement that would restrict BW Group from consummating, or that would otherwise be triggered by, a Non-Coercive Offer by BW Group.

The above summary of the Investor Rights Agreement does not purport to be complete and is modified in its entirety by the Investor Rights Agreement, a copy of which is attached as Exhibit 4.1 to DHT's current report on form 6-K filed with the SEC on April 20, 2017. Additional information regarding the VAA and related transactions, including the rights granted to and obligations imposed on the BW Group under the Investor

Rights Agreement, can also be found in DHT's current report on form 6-K filed with the SEC on March 24, 2017. These filings can also be accessed through DHT's website at www.dhtankers.com.

Report of the Compensation Committee of the Board on Executive Compensation

DHT’s executive compensation program is administered by the Compensation Committee. The Compensation Committee is composed of three non-employee directors who are independent, as determined by the Board, within the meaning of applicable NYSE standards, and one director who is not independent in accordance with those rules. For additional details concerning Board independence, see the section above, “Corporate Governance Principles and Board Matters”.

The Compensation Committee is responsible for:

- discharging the Board’s responsibilities relating to the evaluation and compensation of DHT’s executives;
- overseeing the administration of DHT’s compensation plans;
- reviewing and determining director compensation; and
- preparing any reports on executive compensation required by the rules and regulations of the SEC.

The specific duties and responsibilities of the Compensation Committee are described above under “Corporate Governance Principles and Board Matters — Board Structure and Committee Composition — Compensation Committee” and in the Compensation Committee’s charter, which is available under “Corporate Governance” in the “About DHT” section of DHT’s website at www.dhtankers.com.

The Compensation Committee met five times during the year ending December 31, 2022. The Compensation Committee has direct access to independent compensation consultants and other experts for information that it deems appropriate.

The Compensation Committee has furnished the following report on executive compensation during the year ending December 31, 2022.

Executive Compensation Philosophy

Employees are the key to our success. The goals of DHT's compensation programs are to:

- attract, retain and motivate highly qualified executives;
- pay competitively and consistently within an appropriately defined market;
- align executive compensation with shareholder interests; and
- link pay to DHT and individual performance.

Components of Executive Compensation

Base Pay

Baseline cash compensation and pension contribution comprise the fixed remuneration, which is determined by the competitive market and individual performance. In general, the fixed remuneration for each executive officer is established annually by the Compensation Committee based on (1) a compensation range which corresponds to the executive's job responsibilities, (2) the complexity and activity scope of the company and (3) the executive officer's overall individual job performance.

Annual Bonus

Our annual bonus programs are discretionary and focus on aligning payment with the individual's superior performance in achieving established targets.

Long-term Incentive Program

DHT's long-term incentive program is designed to focus management on the creation of long-term, sustained performance that achieves growth, attractive returns on investment and effective capital management, resulting in the creation of long-term value for our shareholders. During 2022, DHT utilized the 2022 Plan to implement its long-term incentive program through grants of restricted stock awards. The 2022 Plan is designed to encourage employee retention and equity ownership. Prior to 2022, long-term incentive awards were issued under the 2011 Incentive Compensation Plan, the 2012 Incentive Compensation Plan, the 2014 Incentive Compensation Plan, the 2016 Incentive Compensation Plan and the 2019 Incentive Compensation Plan (the "2019 Plan" and, collectively, the "Prior Plans"). Outstanding awards previously granted under the Prior Plans remain subject to the terms and conditions of the applicable Plan under which they were granted, but no new awards may be granted under the Prior Plans. Subject to approval by our shareholders, the Company intends to grant future long-term incentive awards under the 2022 Plan.
